Formed in 1988, Lincoln's Specialty Care (LSC) is a cooperative effort of the Lincoln Chamber of Commerce and the Lincoln Medical Community to promote Lincoln's wide array of medical resources to Greater Nebraska and bordering areas of surrounding states. Lincoln's Specialty Care obtains funding through Lincoln hospitals, health care facilities and participating physician specialists. Our goal is twofold; first, to establish Lincoln as the preferred referral center for these outlying areas, and second, to provide resources that facilitate those referrals.

Please contact us to update physician information, including photos. Changes can be made to our website (www.lincolndocs.com) throughout the year. The physicians and health care facilities listed above represent those that have invested in Lincoln's Specialty Care and its mission. Physician investors are designated with a box around their photo throughout this directory. To become an investor or for information on advertising in this directory or www.lincolndocs.com please contact us.

You've had plenty of awkward conversations.

What's one more?

You two can talk about anything. Don't let discussing retirement living put an end to that. We'll provide information and advice to make the conversation a little bit easier. See where the conversation goes.

You might just find a place uniquely your own. Give us a call at 402-420-9355 or visit Immanuel.com.

Lincoln Physicians Directory

Your Success Starts Here! People refer to the Lincoln Physicians Directory every day to find the right doctor and the right care.

Every year, we print and distribute over 10,000 copies of this pictorial directory. Search for doctors, listed by specialty, for the health care services available in the Lincoln community. Your ad in the directory will reach the most relevant doctors and patients for your brand.

To advertise in the 2018 directory contact:

Curtis Klein, Director of Healthcare Services
 Lincoln Specialty Care | 402.436-2371 | Cklein@LCOC.com

Visit LINCOLNDOCS.com to view the directory online and for up-to-date Lincoln healthcare news articles and hospital innovations.

Hospitalist

A hospitalist is an internist who provides care for hospitalized adult patients referred by other physicians and for hospitalized patients who do not have a local or personal physician.

Keep your great big world great big.

When you live here, you keep your world big and sometimes even make it bigger.

You don't sit around waiting. You actively thrive on fun, friendship and shared adventures. You live life as fully as you can — at your own pace — and never quit your interests, passions and activities.

If this sounds like senior living that doesn't sound like any senior living you've ever seen, call 1.888.693.0397 to schedule a personal tour. We have a whole new world to show you.

Life Changed
Forever

The time you invest helping patients quit tobacco could add years to their lives.

ASK patients about their tobacco use status.

ADVISE patients to quit and be ready to assist them.

REFER patients to the Nebraska Tobacco Quitline—a free and confidential service available 24/7 to Nebraska residents age 16 and older. The fax referral form is available at QuitNow.ne.gov.

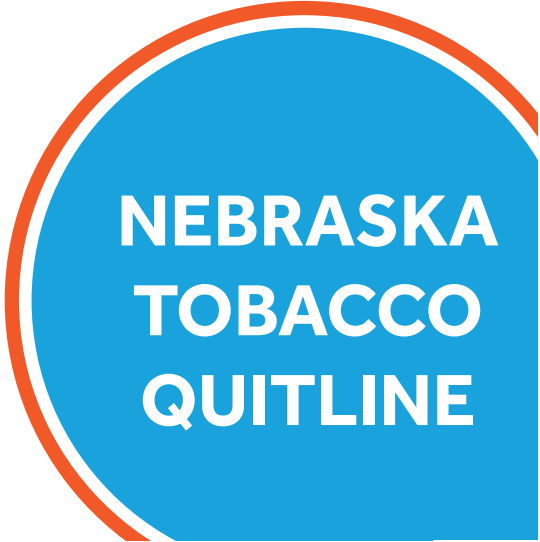

A little encouragement from you could go a long way to better health.

Advanced Radiology physicians are now offering a revolutionary new technique that removes damaged tissue associated with tennis elbow, plantar fasciitis, jumper's knee, Achilles tendonitis and more. Healthy tissue is protected and the results are safe, effective, and fast!

The Interventional Radiologists at Advanced Radiology were the first IRs in the COUNTRY to perform this procedure, and the first physicians in Nebraska to perform the Tenex TX1™ technique!

Developed at the Mayo Clinic, the Tenex TX1™ Tissue Removal System is a 20 minute outpatient procedure using local anesthetic, with:

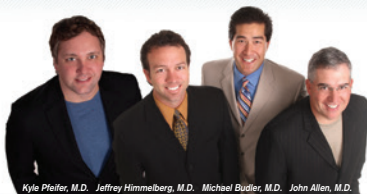

- Minimal pain
- No surgical incision
- Little or no downtime
- No scarring or side effects
- Covered by most insurance and medicare

Laser ablation of varicose veins was invented and perfected by an interventional radiologist. Advanced Radiology is the only dedicated vascular and interventional radiology practice with four fellowship-trained interventional radiologists in the state. Performing Nebraska's first laser ablation in 2002, our physicians' experience is second to none in Nebraska - over 5,000 successful laser vein procedures.

By choosing Advanced Radiology to treat your painful and unsightly varicose veins, you are receiving care that offers:

- A safe and effective procedure performed by physicians with over 40 years of combined laser experience
- No scarring or side effects
- Minimal interruption to your daily routine
- Comfortable, safe, conscious sedation with outpatient convenience
- Insurance and Medicare coverage in most cases

Nebraska's true vein experts!
